2018-2019

I am excited to welcome you to the 2018-2019 school year in the Cherry Creek School District.

In Cherry Creek, our mission is *to inspire every student to think, to learn, to achieve, to care*, and we commit to partnering with you to make this a reality for every one of our nearly 55,000 students. This year we welcome the kindergarten class of 2031 and look forward to celebrating the graduating class of 2019 in May.

I want to tell you a bit about all of the outstanding educational opportunities at Cherry Creek Schools. First and foremost, our district is about people and that includes everyone from our bus drivers, food nutrition workers, support staff, grounds and maintenance employees, administrators and, ultimately, our teachers who are all dedicated to the success of every one of our students. We are especially proud in Cherry Creek that we employ the third highest number of National Board Certified Teachers in the state, and more than 77 percent of district faculty have advanced degrees.

Our schools offer a wide variety of programming designed to meet the needs of *all* learners. This includes Gifted and Talented Education, English Language Acquisition, STEM & Innovation (Science, Technology, Engineering and Mathematics), AVID (Advancement via Individual Determination), programming for students with special needs, Honors and Advanced Placement Courses, the International Baccalaureate program and numerous concurrent enrollment classes.

Your children have access to award-winning arts, extra-curricular and athletic programs, forums that will help them explore and develop new talents, make new friends and have an impact in their communities.

These resources are all a part of our continued commitment to excellence. We are working hard to continue to expand our vision of excellence to meet the changing needs of our students and the changing demands of our society. That means continually connecting students with new levels of technology and innovation in preparation for the demands of the world that awaits them.

It's an exciting time to be a part of the Cherry Creek School District. Here, your children will be challenged and inspired. They will grow as learners and leaders. And with your partnership and support, we will help them thrive and succeed.

I am glad you are here!

Sincerely,

Scott A. Siegfried
